

PAC Meeting

6pm February 5, 2021

Present: Mike, Naama, Dayna, Angel, Jen

Principals Report (full report available of PAC website as well):

Students and Staff wearing masks in accordance with District directives.

Pump track: hopefully will be done for summer time.

Angel's Report: Accounts are good.

Update on gym climbing wall idea: would be extremely expensive to do so, including having to have a staff member trained. New idea: acquire kids harnesses so that we can access climbing rocks right here in Slocan. Possible partner – ASSI.

Naama from DPAC: District is always hiring, bus student information 'passes' to go into effect – Salmo will have first initial test of this idea.

✚ Jen to do: start email flyer to collaborate with Dayna, Angel and Naama, to go home with each child.

Motions: Code of Conduct voted unanimously into PAC, final draft to be confirmed at next meeting.

✚ Everyone to do: Talk to at least 2 other parents about joining the PAC

Dayna: Proposing we make soup for freezers, for students to have hot lunches.

Mike: Food bank had highest recipient access since Sandy has been there.

Jen: Will check out SVECCAC funding, to see if some could be applied to Hot Lunch food purchases/kitchen time rental etc.

✚ Naama to do: check in with WEGCSS, for kitchen use for school food prep

✚ Dayna to do: check in with Legion, for kitchen use for school food prep

✚ Jen to do: provide PAC with details about how funding could work
