Principal's Report:

- 1) February 4<sup>th</sup> COVID procedures to be followed.
  - a. Sanitize
  - b. No visitors
  - c. Masks in middle and high school classes, except at desk.
  - d. Masks in all common areas
  - e. Teachers wear masks at all times.
  - f. Physical distancing in classes. -
  - g. Small learning groups. Most of the time we keep to our class groups. During recess time, Elementary students are playing together. Secondary students are playing together. Still keeping well below the minimum learning group expectations of Ministry.
- 2) VWP - needing to adjust to not being able to travel. Have been able to ski. Get two more times at Red. Did complete their first aid course. Teacher did Zoom meetings. Are doing their Avalanche course at Whitewater now.
- 3) OELP - Doing well despite having many with needs in the class. Glad to have been out skiing. Two more times to Red coming up.
- 4) WILD - went out for their first cross country ski day. Hope to get a few more. Class is settling in to the daily drive of learning and working.
- 5) POP - have been out skating and skiing. Had a great time. Thanks to parents who were able to help with skates.
- 6) Pump Track Proposal re-submitted. Will focus on a spring start.
- 7) Immunizations have been completed for Grade 6 and 9 students.
- 8) Christmas Event - Classes held their own ideas for an event.
- 9) SkiDays went well at Whitewater.
- 10) Report Cards -
  - a. You will be getting a formal report card on Friday. Reminder students are "graded" as Emerging, Developing, Proficient, or Extending.
  - b. Student-led portfolios for the next report before Spring Break.
- 11) Science Lab - Will be ready after Spring Break. We're very excited. If you want a piece of WEG history, you could buy one of the old Science room tables. They're heavy and huge....might be good in a shop or garage. Interested?
- 12) Hockey Game - Students beat the teachers in a shoot out. So the teacher's lost the wager and have to buy students Pizza. Tomorrow will be Pizza day. Shannon and Mike will plate the pizza and deliver to children to be COVID friendly.

Sincerely,

Mike Hurley
